

# Dalguise

## CENTRE INFO

Dalguise is situated in almost 60 acres of Perthshire forest with stunning views over the Grampian mountains and Tay Valley. Behind the 18th century Scottish manor house the Craigvinean Forest opens up into an outdoor activity paradise. You would be forgiven for missing the activity bases at Dalguise as they utilise, and are built into, trees.

## LIFE AT DALGUISE

The tranquil peacefulness of this beautiful centre is only disturbed by the buzz and the sounds of guests and staff having the time of their lives. Open from February to November, Dalguise can accommodate up to 450 guests and employs over 100 staff. It's great for mountain biking, walking, and paddling (River Tay and plenty of Lochs!). Although the centre gives the illusion of being in the middle of the outdoors there are a number of nearby towns and Edinburgh and Glasgow are just over an hour away. Down the road you will find Dunkeld with a number of unique shops, bars and restaurants.
